THE PTA COUNCIL OF BALTIMORE COUNTY
Featured Program

“Gangs and Our Schools; How You Can Make a Difference”

Presented by the
United States Attorney’s Office
District of Maryland

An informative program on recognizing gang activity, the warning signs of gang involvement, intervention tips, and a description of how the local police and BCPS work together to ensure that each school has a safe learning environment. This program will provide the opportunity to form an effective partnership between parents, community members, public schools, and law enforcement to keep our children, schools, and communities safer.
