## **PTA Council Committees**

As the school year is winding down your PTA unit is looking toward the next school year. It is election and reorganization time. Once elections are over the goals for next year and committees needed to pursue those goals will be established.

Many of the goals that units have are common to all PTAs in the county. PTA Council of Baltimore County has committees to serve you, our members. All of these committees are looking for members from all areas of the county. When we pull together, communicate, and network we have a stronger voice. If you or someone you know might be interested in serving on one of the following committees please contact Jayne Lee at [vpchairmen@bcptacouncil.org](mailto:vpchairmen@bcptacouncil.org) .
